gees, who had fled from their native at the same moment the boatman on the right called the revocation of the edict of Nantz in out: Le had been an officer of some note during olution-a warm political and personal friend | as death !' author of the Declaration of Independencea gentleman who always stood high in the es-

m of his associates and cotemporaries. Though at one time a man of wealth, Col. Bertrand had lost much, and suffered much, through British invasion; and when, shortly after the close of the war, he had met with a few more serious reverses, he had been fain to accept a grant of land a muddy bottom!" almost yelled a third. near the Falls of the Ohio, now Louisville, tendered him by Virginia, which then held jurisdiction over against projecting bushes and overreaching limbs, the entire territory, now constituting the State of and every moment getting more and more entangled;

his new possessions, and building up a new home in without touching bottom, into what appeared to be a the then Far West, and as his wife had insisted upon soft, clayey mud, from which they were only extriaccompanying him on his first tour, he had assented cated by such an outlay of strength as tended still to her desire, on condition that Blanche should be left more to draw the clumsey craft upon the bank they among her friends, till such time as a place could be wished to avoid. At length, scarcely more than a prepared which might in some degree be considered minute from the first alarm, there was a kind of set-

Blanche would gladly have gone with her parents, and immovable. When Col. Bertraud removed to the West, Eugene ous light, others, and increase his gains in a legitimate way, he the boat. had opened a store and filled it with goods from the "I have heard something, Engene," she said, over the mountains to the Kanawha, and thence by but not sufficient to fully comprehend its nature."

has seen them slowly floating off upon the still, glassy "I know little of Indians, returned blanch, but I have always understood that they are somethe mouth of the Great Kanawha, whence the reader vicinity. surrounded her, she saw a seemingly flying body minutes ago." near which the boat was then swaved by the action of mentthe current,) and alight with a crash upon the deck His words were suddenly cut short by several loud of the boat, not more than eight feet from her. One voices of alarm from without, followed by a quick of a huge panther met her gaze. The suddenness of passage, the former exclaiming : powering. With a deafening shrick she fell upon and fom Harris is already butchered and scalped !" her knees and clasped her hands upon her breast. And even as he spoke, as if in confirmation of his The panther crouched for his deadly leap, but ere he dreadful intelligence, there arose a series of wild, sprang, the hunting knife of Eugene Fairfax (who, piercing, demoniacal yells, followed by a dead and with the steersman, was the only person on deck be-sides Blanche,) was buried to the hilt in his side, inflicting a severe but not fatal wound. The infuriated friends in this adventure; but the foregoing is all beast at once turned upon Eugene, and a deadly that we can publish in our columns. The balance of struggle ensued. But it was a short one. The the narrative can only be lound in the New York polished blade of the knife played back and forth like Ledger, the great lamily paper, which can be obtained lightning flashes, and at every plunge it was buried at all the periodical stores where papers are sold. to the bilt in the panther's body, who soon fell to the Remember to ask for the "Ledger," dated May 22d, deck, dragging the dauntless Fagene with him On and in it you will get the continuation of the narraseeing her protector fall, Blanche uttered another tive from where it leaves off here. If there are no shrick and rushed to his aid; but assistance from bookstores, or news offices convenient to where you stouter arms was at hand. The boatmen gathered reside, the publisher of the Ledger will send you a round, and the savage monster was literally backed copy by mail, if you will send him five cents in a let-in pieces with their knives and batchets, and Eugene, ter. Address Robert Bonner, Ledger office, 44 Ann covered with blood, was dragged from under his car- street, New York. This story is entitled "Perils of case. Supposing him to be dead or mortally wounded, the Border," and grows more and more interesting as Blanche threw her arms around his neck and gave it goes on. way to a passionate burst of grief. But he was not = dead-he was not even hurt, with the exception of a few slight scratches. The blood with which he was

of her heart's emotions and affections. It was to color his whole future life, as it will be seen in the progress of our story. Slowly and silently, save the occasional creak, dip, and splash of the steersman's oar, the boat of our voyagers was borne along upon the bosom of the current, on the third night of the voyage. The hour was waxing late, and Eugene, the only one astir, except the watch, was suddenly startled, by a rough hand being placed upon his shoulder, accompanied

covered was the panther's, not his own. But Blanche's

embrace was his-a priceless treasure-an index

by the words, in the gruff voice of the boatman : "I say, Cap'n, here's trouble!" "What is it, Dick?" inquired Eugene, starting to

"Den't you see tha's a heavy fog rising, that'll soon kiver us up so thick that we won't be able to tell a white man from a nigger !" replied the boatman, Dick Winter by name, a tall, bony, muscular, athletic specimen of his class.
"Good heavens! so there is?" exclaimed Eugene,

looking off upon the already misty waters. "It must have gathered very suddenly, for all was clear a minute ago. What is to be done now? This is something I was not prepared for on such a night as Sup

"It looks troublous, Cap'n, I'll allow," returned Dick; "but we're in for't, that's sartin; and I s'pose we'll have to make the best on't." "But what is to be done? what do you advise?" asked Eugene in a quick, excited tone, that indicated

it'll be powerful hard to do; and ef we don't run agin a bar, or bank, afore morning, in spite of the best o' us, it'll be the luckiest go that ever I had a hand in. See, Cap'n, it's thickening up fast; we can't see eyther bank at all, nor the water nyther; the stars is getting dim, and it looks as if thar war a cloud all

"I see! I see!" returned Eugene, excitedly. "Merciful Heaven! I hope no accident will befall us here—and yet my heart almost misgives me!-for this, I believe, is the most dangerous part of our journey-the vicinity where most of our boats have

been captured by the savages." Saying this, Eugene hastened below, where he found the other boatmen sleeping so soundly as to require considerable effort on his part to wake them. At last, getting them fairly roused, he informed them, almost in a whisper, for he did not care to disturb the others, that a heavy fog had suddenly arisen, and he wished their presence on deck, immediately.

"A fog, Cap'n," exclaimed one, in a tone which indicated that he comprehended the peril with the

"Hush!" returned Eugene; "there is no necessity for waking the others, and having a scene. Up! and follow me without a word !" He glided back to the deck, and was almost imme diately joined by the boatmen, to whom he briefly made known his ho es and fears.

would be safest if made fast to an overhanging limb of the Kentucky shore; but frankly admitted that this could not now be done without difficulty and danger, and that there was a possibility of keeping the current.

"We'll do the best we can, Cap'n," was the

began to first down with the current, now fairly en- ing down through a misty darkness impenetrable to tered upon the most dangerous portion of a long and to the eye-when suddenly, our young commander, who was standing near the bow, felt the extended anche, Col. Philip Bertrand, was branch of an overhanging limb silently brush his Vicinia, and a descendant of one of the face. He started, with an exclamation of alarm, and

> "Quick, here, boys! we're agin the shore, as sure Then followed a scene of hurried and anxious confusion, the voices of the three boatmen mingling together in loud, quick, excited tones. " Push off the bow !" cried one.

"Quick! altogether, now! over with her!" shouted another. "The de'il's in it! she's running aground here or

Meanwhile the laden boat was brushing along while the long poles and sweeps of the boatmen, as The grant had decided the Colonel upon seeking they attempted to push her off, were often plunged, a fit abode for one so carefully and tenderly reared. tling together, as it were, and the boat became fast

but on this point her father had been inexorable-de- The fact was announced by Dick Winter, in his claring that she would have to remain at the East till characteristic manner-who added, with an oath, he should see proper to send for her; and as he was that it was just what he expected. TEHAMA HOUSE, CORNER OF CALIFORNIA AND SANSOME STS.,

THIS WELL-KNOWN AND POPULAR Establishment offers superior inducements to the Traveling Public, and to those wishing a quiet home. It is sutuated in convenient proximity to the business center, and is conducted on the European Plan, giving its patrons the choice of obtaining their meals at the restaurant connected with the Louse, or elsewhere, as their convenience may suggest.

The Proprietor, who has been cagaged in this house since 1852, solicits a continuance of the patronage of his many friends, which, as heretofore, he will endeavor to merit by strict attention to their wants and comfort.

G. W. FRINK.
